

Thursday November 19, 2015

Time \ Hall	A	B
10.00 - 12.00	Retina I - Panel Controversies in vitreoretinal surgery Retina II - Symposium Management of vein occlusion	Pediatric - symposium Update in Pediatric Ophthalmology
12.00 - 12.30	Break	
12.30 - 14.30	Cataract - Panel Optimizing my phaco techniques	Glaucoma - symposium Update in treatment of POAG
14.30 - 15.30	Lunch	
15.30 - 17.30	Cornea - symposium Shifting towards lamellar surgery	Strabismus - symposium Miscellaneous strabismus disorders

Friday November 20, 2015

Time \ Hall	A	B
09.30 - 11.30	Oculoplasty - symposium Blepharoplasty; update	Investigations I - panel Multimodal imaging in the diagnosis and follow up of AMD Investigations II - symposium
11.30 - 13.15	GOMAA PRAYER & COFFEE BREAK	
13.15 - 15.15	Refractive - panel New concepts in refractive surgery	Young ophthalmologist

Retina I - Panel

Thursday November 19, 2015

10.00 - 11.00

Hall
(A)

Controversies in vitreoretinal surgery

Moderator: *Hammoda Ghoraba, MD*

Panelists:

Ahmed Magdy Bedda, MD

Amr Azab, MD

Ayman El-kawas, MD

Ayman Khattab, MD

Retina II - Symposium

Thursday November 19, 2015

11.00 - 12.00

Hall
(A)

Management of vein occlusion

Moderator: *Tarek Maamoun, MD*

Speakers:

Mostafa Mahmoud, MD

Etiology and pathogenesis of vein occlusion

Tarek Maamoun, MD

Clinical presentation of vein occlusion

Mohamed Abdalla, MD

The role of anti-VEGFs in vein occlusion

Khaled Mourad, MD

Treatment modalities of vein occlusion

Pediatric Symposium

Thursday November 19, 2015

10.00 - 12.00

**Hall
(B)**

Update in Pediatric Ophthalmology

Moderator: *Nehal El-Shakankery, MD*

Speakers:

Nehal El-Shakankery, MD

Pediatric cataract surgery in microphthalmic eyes

Amr El-Kamshoshy, MD

Abnormal head posture

Sameh El-Agha, MD

Cross linking in pediatric cornea

Ahmad Samy El-Wehedy, MD

Modified trabeculectomy ab-externo in management of primary congenital glaucoma

Abdallah El-Husseiny, MD

Retinoblastoma; from past to present

Adel El-Layeh, MD

Role of triamcinolone in pediatric cataract surgery

Cataract Pannel

Thursday November 19, 2015

12.30 - 14.30

Hall
(A)

Optimizing my phaco techniques

Moderator: *Ahmed Ghoneim, MD*

Panelists:

Ahmed El-kateb, MD

Ahmed Shama, MD

Hatem Ammar, MD

Hisham Fawzy, MD

Hossam El-fallal, MD

Mohamed Abd El-Azim, MD

Tamer El-Mekkawi, MD

Topics:

- Managing post. Cap. rupture
- Subluxated lenses
- Posterior polar cataract
- Corneal endothelium protection during phaco
- Best IOL in aphakic patient
- Pseudoexfoliation syndrome
- Brunescant cataract
- Worst case scenario

Glaucoma Symposium

Thursday November 19, 2015

12.30 - 14.30

**Hall
(B)**

Update in treatment of POAG

Moderator: *Adel Abdel Razik, MD*

Speakers:

Ahmad Khalil, MD

Insights into initiation and modulation of medical therapy in POAG

Adel Abdel Razik, MD

Laser treatment in POAG

Saeid Shalaby, MD

Shlemm's canal surgery

Mohammad El-Mallah, MD

Augmented subsclear trabeculectomy

Eman El-Hefny, MD

Recent glaucoma devices

Cornea Symposium

Thursday November 19, 2015

15.00 - 17.30

Hall
(A)

Shifting towards lamellar surgery

Moderator: *Tarek Katamesh, MD*

Speakers:

Tarek Katamesh, MD

DMEK technique: a Stepwise approach

Sameh El Shorbagi, MD

Contact lenses Acanthameoba disasters

Osama Shalaby, MD

Corneal perforation.. The way to manage a big disaster

Waleed Abu Samra, MD

Decision making for lamellar keratoplasty

Abdelhamid Elhofy, MD

Living-related conjunctival limbal allorgraft transplant
for severe chemical burn

Strabismus Symposium

Thursday November 19, 2015

15.00 - 17.30

Hall
(B)

Miscellaneous strabismus disorders

Moderator: *Mahmoud Rageh, MD*

Speakers:

Ahmad Awaden, MD

Hypertropia after inferior oblique muscle surgery

Akmal Rizk, MD

Are there real difference between faden, pulley
fixation and recess resect of medial recti

Heba Nabil Sabri, MD

Unusual strabismus presentations

Hisham Khattab, MD

Self disappearance of Brown's syndrome

Manal Kassem, MD

Superior oblique palsy

Oculoplasty Symposium

Friday November 20, 2015

9.30 - 11.30

**Hall
(A)**

Blepharoplasty; update

Moderator: *Omar El-Shabrawy, MD*

Speakers:

Omar El-Shabrawy, MD

Blepharoplasty assessment

Hosny Hassan, MD

Blepharoplasty with browpexy

Ayman Abd El-Ghaffar, MD

Blepharoplasty in upper lid

Hisham Ali Hashim, MD

Lower lid blepharoplasty

Abdullah El-Hosiny, MD

Extended blepharoplasty

Ibrahim Allam, MD

Blepharoplasty; a state of art

Investigations I - Panel

Friday November 20, 2015

9.30 - 10.30

**Hall
(B)**

Multimodal imaging in the diagnosis and follow up of AMD

Moderator: *Kareem Raafat, MD*

Panelist:

Zeinab El-sanabary, MD

Ahmed Sokka, MD

Dalia Sabry, MD

Topics:

- Initial diagnosis: OCT versus FFA.
- Fundus auto fluorescene
- OCT angiography
- Swept source OCT
- Case presentation

Investigations II - Symposium

Friday November 20, 2015

10.30 - 11.30

**Hall
(B)**

Moderators: *Azza Ismail, MD*

Speakers:

Mohamed Ashraf El-Masry, MD

Diabetic macular edema: Outcome predictors
on OCT

Hanem Kishk, MD

Important basic rules in fundus fluorescein
angiography

Aml El-Bendary, MD

OCT in Glaucoma

Nader Bioumy, MD

UBM in anterior segment dysgenesis

Refractive Surgery Panel

Friday November 20, 2015

13.15 - 15.15

**Hall
(A)**

New concepts in refractive surgery

Moderator: *Mohamed Shafik, MD Alex Univ*

Panelists:

Magdy Khallaf, MD Al Azhar Univ

Mohammad Elkateb, MD Alex Univ

Ihab Mossallam, MD Alex Univ

Tarek El-Naggar, MD Research institute

Tamer Masoud, MD Ein Shams Univ

Hesham Gaber, MD Armed Forces Hospital

Young Ophthalmologist

Young Ophthalmologists

Friday November 20, 2015

13.15 - 15.15

**Hall
(B)**

1- Preferred Practice Patterns

Chairpersons: *Ahmed Mostafa, MD*
Essam El-Tokhy, MD
Gehad El Nahri, MD
Mohamed Hosny, MD

Speakers:

Bassem Morshed «Ptosis»
Karim Gadallah «refractive surgery»
Rana Hussein «glaucoma»
Rowayda Amin «uveitis»

2- Tanta Ophthalmology Hospital clinical cases

Ghada Basuoney
Asmaa Galal, MD
Marwa Shawky, MD
